Touch of Serenity, R The Spa, Radisson Blu Plaza, Delhi

The package includes paraffin manicure and pedicure, relaxing massage and deep cleansing facial. In paraffin manicure and paraffin pedicure, hands are dipped in melted paraffin wax for softening and moisturising. The intense heat allows for deeper absorption of emollients and essential oils. The wax is usually infused with various botanical ingredients such as Aloe Vera, Chamomile, and Azulene. More emphasis is given to the nail procedure such as removing the cuticle and applying creams and oils in order to maintain a healthy balance. Whereas the relaxing massage is formulated with jasmine and mogra oil for balance and harmonising body, mind and soul. The Deep Cleansing Facial on the face extracts dirt and thoroughly cleanses the face.
