and different tones of gold gel very well with darker tones. But the brighter shades like pinks, blues, and greens are a big no no as they stand out too much on darker skin which in turn ends up looking very loud. "

**Body Treatments:** The pre-bridal routine is incomplete without luxurious spa pampering. There are ample options for brides to get clean up glow on their body. Bllis by Ravissant offers three hours duration Anti-cellulite body brush treatment for brides which rejuvenates and toned the skin leaving it silky smooth. It is advisable to get it done one week before the wedding.

**Non-invasive treatments:** If you are a conscious bride concerned about your body then there are couple of non-invasive treatments including eyebrow and lip enhancing, face contouring, tummy tuck, and breast augmentation that are enough to boost up the confidence.

**Bridal trousseau**

There are a lot of beauty brands which provide customised trousseau services for brides including M.A.C., Clinique, Revlon, L'oreal, Lakme and more. Map out your day to evening makeup looks as well as get personalized skincare products without much hustle.
