LUXURY MEETS FASHION

The House of Ravissant threw open the doors of its posh new address in Mumbai on 15th January. Hosts Ravi and Mina Chawla, along with Vishal and Charu Chawla, beamed as industrialists, socialites and celebrities took in the new, never-seen-before collections and the pristine interiors of the store. The evening was completed with a fashion show, with models from Russia showcasing Ravissant ensembles.

TIME TO PARTY

Ebel Watches officially introduced itself in India with a glam party held at Vie Lounge and Deck in Mumbai last month. Following in the footsteps of Claudia Schiffer, the international face of Ebel, is Malaika Arora Khan, who co-hosted the bash and modeled the new 'Tarawa' range. The fashion fraternity showed up in full force to check out the 'Classic Wave' and 'Beluga Tonneau' collections, amidst a pristine backdrop of white lilies, candles and glass vases. Just like the brand, this was elegance and sophistication at its best.
